Enclosed is your copy of the Contract for Extension of Gas Line which has been signed.

We are processing the necessary orders to install your gas facilities in a timely manner. To assist us, please furnish us with a final address list of the property as recorded with the city or county, including any internal apartment or unit numbers or letters. Because we must secure necessary permit(s), rights-of-way, etc., in certain cases, installation may not begin for thirty (30) days.

If your project has multiple gas houselines, please be sure your houselines are tagged with the appropriate individual apartment or unit numbers or letters. After your Gas Company gas line(s) are installed and the city or county inspector has inspected your gas houselines, please contact our Customer Services Department at 800/427-2200 to arrange for your meter installation and turn-on. Please allow 24 hours after gas houseline inspection for the city or county inspector to notify The Gas Company of the houseline approval.

Thank you for this opportunity to provide you with natural gas to serve your energy requirements. We are pleased to have you as a Gas Company customer and want to provide you with the best possible service. If you have any questions, please contact me at (310) 793-4273.
